HOW TO MAKE A GOOD FILM

10.1. D

Making a film about something you know is a good way to start. If you are interested in a particular subject, e.g. sports, make a film on this subject. If you like ghost stories, make a horror movie. Your film will then be more authentic.

10.2. A

Add sound effects and music. For a better effect, they should be connected with the story. These elements are important because they give the film a special character and feeling.

10.3. C

Finding the cast for your film is not that difficult. Usually people will take part just for fun, but also you can prepare an audition at school. Of course, it would be great to have a well-known name starring in your movie, but don’t hope for that!

10.4. E

Find an interesting place and decide on a time to shoot the film. If you can't find the right place, create it at school – ask your actors for help. Remember that you can always go to a park, shopping centre or a football pitch to shoot.

A. How do I create the atmosphere?
B. When is the best time to shoot a film?
C. Where should I look for the actors?
D. What kind of film should I make?
E. Where should I make the film?

Then the school. When we lived in Ardwick, it was only a ten-minute walk away. Now I need 40 minutes to get to school. 11.2. A And I really hate it.

But living in a big city isn't all bad. There are many shops, restaurants and cinemas in our district. 11.3. D In fact, I'm going to visit the Museum of Science and Industry tomorrow.

And what about you? Write soon.

Love,

Lucy

THE BEST BAND ON THE PLANET

Green Day is a rock band that has won hundreds of awards in many countries, including the Best Band on the Planet Award. They have sold millions of records. People love their albums and their live shows.

Green Day members are Tre, Mike and Billie Joe. They all left school to start playing in clubs around California. Tre’s dad drove them in an old van. They still love touring. They give their fans a lot of attention. They often pull kids from the crowd up on stage to play with them. Mike says, ‘I get nervous for the kids. I think they’re very brave.’ Sometimes, though, the boys get a bit mad; after all, they are rockmen! Once, after the concert, there was a fight between the band and some people from the audience.

Green Day may sometimes be bad boys but their songs are great. The group often sings about young outsiders – teenagers who are not accepted by society. Mike describes his life when he was a teenager: ‘I don’t know how many times someone criticised me because I seemed strange.’ Although the songs are serious, they are pleasant and easy to remember. If you listen to any album, you will soon start singing along. Billie Joe explains how he writes the songs: ‘It has to come from the same place that a love song comes from, so sometimes I need a lot of time.’
